This is a list of great powers during the medieval period. The term "great power" has only been used in historiography and political science since the Congress of Vienna in 1815. Lord Castlereagh, the British Foreign Secretary, first used the term in its diplomatic context in 1814. Use of the term in medieval historiography is therefore idiosyncratic to each author.

Historical negationism or denialism is an illegitimate distortion of the historical record. It is often imprecisely or intentionally incorrectly referred to as historical revisionism, but that term also denotes a legitimate academic pursuit of re-interpretation of the historical record and questioning the accepted views.. In attempting to revise the past, illegitimate historical revisionism ...

A. GENERAL CLOSURE TYPES. This section covers closures that were used on a wide array of bottle types, i.e., closures which are generally not identified with only one or two types or classes of bottles. Inherently these closure types saw wide use for many types of bottles - implying higher than usual functionality - and because of that also experienced a long time span of use.
