INTRODUCTION . France's experience in Africa was conditioned by two things. First, France had a longstanding interest in the region bordering the Mediterranean Sea thanks to its own coast line between Italy and Spain, its active role in the Crusades and its incorporation into the Roman Empire.

### **The French in West Africa**

French West Africa (French: Afrique occidentale française, AOF) was a federation of eight French colonial territories in Africa: Mauritania, Senegal, French Sudan (now Mali), French Guinea, Ivory Coast, Upper Volta (now Burkina Faso), Dahomey (now Benin) and Niger. The capital of the federation was Dakar. The federation existed from 1895 until 1960.

African Countries and their Independence Days. Brief History of colonization: In the 17th century AD, European countries scrambled for and partitioned Africa. This continued until around 1905, by which time all the lands and resources of the continent of Africa had been completely divided and colonized by European countries.

### **African Countries and their Independence Days.**

Western Africa - Decolonization and the regaining of independence: The end of the colonial period and the establishment during 1957-76 of all the former colonies as independent states was attributable both to a change in European attitudes toward Africa and the possession of colonies and to an African reaction to colonial rule born of the economic and social changes it had produced.
