Work ethic: Work habits that are the foundation of a person's ability to do his or her job. Zero tolerance: The policy of applying laws or penalties to even minor infringements of a code in order to reinforce its overall importance, typically related to drug and alcohol abuse when applied to the workplace.

### **Module 8: Basic Employability Skills Flashcards | Quizlet**

Employability or 'soft skills' are the building blocks of your career. The media frequently run stories on how these skills are lacking in school-leavers, graduates and/or those already in employment. Organisations spend a lot of time and money training staff, not in job specific areas but in general and basic skills.
