Comments and Observations The Spaceship Stage: One of the biggest stars of the show was the stage itself. Conceived by ELO's manager, Don Arden, this was a gigantic metal hamburger-shaped spaceship that opened up at the beginning of the show with lasers, fog machines and taped music of an excerpt of Benjamin Britten's Sinfonia da Requiem, Op. 20 (as performed by the London Symphony Orchestra ...

Castform. Castform has four different forms, which its Ability Forecast causes it to change between in different types of weather. It is the first Pokémon to have interchangeable forms in battle in the games. Normally, Castform is Normal-type and has a plain appearance with a gray body. It takes on this form in clear weather, in any weather without a specific form, and if the weather has its ...
