Tim Burton's 2003 film Big Fish follows the fantastical life of Edward Bloom, played by Ewan McGregor as a young man. With stories of giants, witches, and werewolves, the line between reality and embellishment is always blurry in Bloom's tall tales, but we've always been especially smitten with young Edward's discovery of the curious—but enchanting—town of Spectre, tucked away behind a ...

Margaret Atwood was born in 1939 in Ottawa, and grew up in northern Ontario and Quebec, and in Toronto. She received her undergraduate degree from Victoria College at the University of Toronto and her master's degree from Radcliffe College.

Biography - Margaret Atwood

Garnet was born during the gold rush of 1895 and home to nearly a thousand miners and homesteaders at its peak. The mines were quickly depleted and most people were gone by 1912, but two dozen wood buildings persist, making this one of the best-preserved mining towns in the U.S. It looks almost like a movie set for an Old West boomtown.
