When one party makes an assertion about something, another party may make an argument against it. This is known as a rebuttal, which is a contradictory argument or evidence. Rebuttals are commonly seen in debates, and in legal actions, and are an opportunity for the opposing party to essentially say This is why you're wrong. In a legal sense, a rebuttal is any evidence presented to refute the ...

When I received my official summons for jury duty the other day, the form guided me to complete a juror qualification questionnaire. In so doing, I came upon my state's list of acceptable excuses which included, among others, an automatic exemption for those 75 years or older if so inclined—no infirmity required.
