**Second Career: Becoming A Financial Adviser - Forbes**

It's hard to start a career as a financial advisor because no matter how great you are at recommending sound financial decisions and tools, at the end of the day you have to bring in new clients. That means most positions will require that you go out and try to gain clients through networking, calling, emails, meeting in person, referrals, public speaking, seminars, and other forms of marketing.

**8 Things to Know Before Getting a Job as a Financial Advisor**

A career as a financial advisor is one of them. It's an opportunity to be in control of your career and your life while helping others work toward their financial goals and lifelong dreams. Explore your opportunities.
