The top line of figures for each subject is 2018 followed by previous years. Where subjects appear to be missing results figures this was often because the naming or classification of the subject had changed.

GCSE National subject grade percentages

Grading in education is the process of applying standardized measurements of varying levels of achievement in a course. Grades can be assigned as letters (for example A through F), as a range (for example 1 to 6), as a percentage of a total number of questions answered correctly, or as a number out of a possible total (for example out of 20 or 100).
