Fennel's strong aroma and flavor make it a garden favorite. Unfortunately, those same attributes make it a poor companion plant. Fennel companion planting options are limited and we strongly recommend to any gardener who is considering adding fennel to their garden to be mindful of what plants do not do well when planted near fennel.

### **Fennel Companion Planting Guide - Our Herb Garden**

Some years ago we moved to a new house which had a tiny suburban garden giving little room for growing vegetables, mainly a small herb bed and some salad crops. Then I realised there was an allotment site round the corner so I contacted the local council to see if they had any vacant allotments ...
