White chrysanthemums and branches of white pine (*Pinus strobus*) make a striking winter centerpiece. A birch-look pillar candle anchors the arrangement in the center of a wooden bowl. To create the arrangement, cut florists foam even with the top of the container, wet the foam and set it in the bowl. push the candle in the center, then insert pine branches and mum stems into the foam.

Happy times with kids call for cheerful cupcakes. Easier to serve than cake, cupcakes require no slicing, no plates, and no forks -- and every child gets her fair share of icing. All the designs on these pages start as Chocolate Cupcakes or Vanilla Cupcakes iced with Swiss Meringue Buttercream -- perfect for spreading in thin layers or sculpting into thick mounds (and licking from the bowl).
