The 25 Best Online Master's in Higher Education Degree ...

Higher education in the United States is an optional stage of formal learning following secondary education. Higher education, also referred to as post-secondary education, third-stage, third-level, or tertiary education occurs most commonly at one of the 4,360 Title IV degree-granting institutions, either colleges or universities in the country. These may be public universities, private ...

Higher education in the United States - Wikipedia

At the very beginning, you must know that, in contrast to the US higher education where universities are usually regarded as colleges, in UK the college and the university are not the same thing.

Education in India is provided by public schools (controlled and funded by three levels: central, state and local) and private schools. Under various articles of the Indian Constitution, free and compulsory education is provided as a fundamental right to children between the ages of 6 and 14. The approximate ratio of public schools to private schools in India is 7:5.
