Josephine Wants to Dance. From the award-winning duo of Diary of a Wombat comes another hilarious tale of a bush animal you'll never forget. Josephine is a kangaroo - who loves to dance. Her little brother, Joey, tells her that kangaroos don't dance, they hop - but Josephine continues to point her toes and leap through the air.

Josephine Wants to Dance by Jackie French - Goodreads

Josephine is based on a real kangaroo, just as Pete and Diary of a Wombat were based on real animals too. Josephine is based on a roo called Fuchsia and a wallaby called Rosie. Fuchsia was the kangaroo that danced through our lives when my son was small. They'd dance to ' Newspaper Mama!', and then we'd go for a walk.
