### **Lords Of Dogtown Blu Ray**

Lords of Dogtown (2005) Movie Review: A gnarly look into the lives of skateboarding's pioneers Life isn't easy for the local teenagers living in a California surf ghetto. Telling the story of how a group of lower class adolescent boys take an unknown sport to the world stage, Lords of Dogtown gives a magnified look into the birth of skateboarding.

Hopefully, Lords of Dogtown will find a new life because it is an excellent film that deserves it. The blu-ray, from Mill Creek, is one of their best efforts to date. The picture quality is the best I have seen from the company and the fact that they included a lossless audio track makes me giddy with glee.

LORDS OF DOGTOWN tells the radical true story of three teenagers from California who took skateboarding to the extreme and changed the sports world forever. Stacy Peralta (John Robinson),

Tony Alva (Victor Rasuk) and Jay Adams (Emile Hirsch, Into the Wild) are the Z-Boys, a bunch of nobodies until they join board designer Skip Engblom (Heath Ledger, The Dark Knight) to create a new style of skateboarding that becomes a worldwide phenomenon.

Lords of Dogtown. Known as the Z-Boys, the radical riders invent a brazen style of skating and deal with heartache when the sport they live for turns into big business. Heath Ledger, Emile Hirsch and Rebecca De Mornay co-star. Emile Hirsch, Victor Rasuk, John Robinson, Michael Angarano, Nikki Reed, Heath Ledger, Rebecca De Mornay, Johnny Knoxville,...

**Rent Lords of Dogtown (2005) on DVD and Blu-ray - DVD Netflix**

'Dogtown and Z-Boys' isn't just for skateboard aficionados and X-Game watchers. It's an intriguing look at the origins of a subculture that had national appeal, yet could only have originated in California. Although the Blu-ray presentation leaves a lot to be desired, the raggedness works in context with the subject matter.
