

***New Philosophy Of Social Conflict Mediating Collective Trauma  
And Transitional***

### **New Philosophy Of Social Conflict**

Social philosophy is the study of questions about social behavior and interpretations of society and social institutions in terms of ethical values rather than empirical relations. Social philosophers place new emphasis on understanding the social contexts for political, legal, moral, and cultural questions, and to the development of novel theoretical frameworks, from social ontology to care ...

The philosophy of punishment is a part of the criminal justice culture and society. Many people have strong views on punishment, which influence the behaviors and decision of criminal administrators, politicians, and officers. Since the early 20th century, basic education of criminal justice personnel has primarily focused on developing the skills necessary to be effective in the field.

Martin Luther King, Jr., was a Baptist minister and social rights activist in the United States in the 1950s and '60s. He was a leader of the American civil rights movement. He organized a number of peaceful protests as head of the Southern Christian Leadership Conference, including the famous March on Washington. In 1964 he won the Nobel Peace Prize, and, at the time, he was the youngest ...
