### **Parkour Lessons For Kids**

For the best experience, we typically recommend 60-minute parkour lessons. However, students looking for a more affordable option may want to consider a shorter lesson length of 45 or 30 minutes. On average, 30-minute parkour lessons are 42% less expensive at \$50. Curious how much parkour lessons ...

Parkour is actually all about safety (not danger) and is an excellent tool for teaching sound risk assessment. Even though skilled parkour practitioners can seem like they are doing daring feats, compared to the average person, they are typically more measured in their approach to training than beginners.
