[citation needed] Popular culture (also called pop culture) is generally recognized by members of a society as a set of the practices, beliefs and objects that are dominant or ubiquitous in a society at a given point in time. Popular culture also encompasses the activities and feelings produced as a result of interaction with these dominant objects.

Pop punk (also known as punk-pop or pop-punk) is a genre of rock music that combines influences of pop music with punk rock. Fast tempos, prominent electric guitars with distortion, and power chord changes are typically played under pop-influenced melodies and vocal styles with lighthearted lyrical themes including boredom and teenage romance.. Early punk rock bands such as Ramones, Buzzcocks ...
