### **Sailors In The Sky Memoir**

Tania Aebi (born October 7, 1966) is an American sailor. She completed a solo circumnavigation of the globe in a 26-foot sailboat between the ages of 18 and 21, making her the first American woman and the youngest person (at the time) to sail around the world. Despite many challenges, she accomplished her goal and proved to her father that she could complete something.

Etymology. The name "Combat Zone" was popularized through a series of exposé articles on the area written by Jean Cole in the 1960s for the Boston Daily Record. The name had a double meaning: not only was the area known for crime and violence, but many soldiers and sailors on shore leave from the Charlestown (Boston) Navy Yard would frequent the many strip clubs and brothels in uniform ...
