### **Skills Development In Sub Saharan**

Confronting this trade-off is the objective of Skills Development in Sub-Saharan Africa. Written to inform clients, donors, and World Bank staff about TVET experience over the past decade, Skills Development in Sub-Saharan Africa builds a dialogue around this experience.

### **Skills Development in Sub-Saharan Africa: Regional and ...**

As the informal sector in Sub-Saharan Africa absorbs the majority of workers, improving the sector's productivity is essential for employment, income growth, and poverty reduction. Skills development is one of the most important factors impacting on productivity, especially because education has been proven to translate into higher earnings.
