Really the appropriate length of the text has everything to do with your story and how it's written. Every word does count and careful consideration must be taken to ensure the pacing of the story and the illustratability is supported in a way that fits a picture book format.

how long does a children's book have to be - picture books ...

A new, worrisome trend is the use of extreme tactics by would-be censors and pressure groups. These tactics range from an actual book burning in Iowa that targeted LGBTQIA+ books to lawsuits filed to halt libraries' drag queen story hours and to end community access to curated and authoritative research databases. While these tactics have been given short shrift by the public and the courts ...
