Girl with Curious Hair is a collection of short stories by American writer David Foster Wallace, first published in 1989. Though the stories are not related, several reflect Wallace's concern with contemporary trends in fiction, including metafiction and the irony of postmodernism; and the cynical, amoral realism of "Brat Pack" writers such as Bret Easton Ellis.

This week I try to convince people that the No Man's Sky hype and subsequent backlash was the result of youth and inexperience rather than a calculated campaign of deception.. I actually felt sorry for Sean Murray. If you look at the things Murray claimed were going to be in the game, it seems like he was just doing the usual indie developer thing where you talk candidly about your ideas and ...
