

The Death Of Virgil

The Death Of Virgil

The Death of Virgil (German: Der Tod des Vergil) is a 1945 novel by the Austrian author Hermann Broch. The narrative reenacts the last hours of life of the Roman poet Virgil, in the port of Brundisium (), whence he had accompanied the emperor Augustus, his decision – frustrated by the emperor – to burn his Aeneid, and his final reconciliation with his destiny.

The Death of Virgil - Wikipedia

The death of Virgil is a book that really didn't work for me, and I've spent some time trying to figure out why. It wasn't because of the obvious things - bad writing, one-dimensional characters, uninteresting plot - or because of a pet peeve, but I had to force myself to finish it.

The Death of Virgil by Hermann Broch - Goodreads

The Death of Virgil: The Death of Virgil, novel by Hermann Broch, published simultaneously in German (as Der Tod des Vergil) and in English in 1945. The novel, the best known of the author's works, imaginatively re-creates the last 18 hours of the Roman poet Virgil's life as he is taken to Brundisium (now Brindisi)

The Death of Virgil | novel by Broch | Britannica.com

A New Virgil Myth. The Death of Virgil. by Hermann Broch. Translated by Jean Starr Untermeyer. New York, Pantheon Books, 1945. 494 pp. \$5.50. Broch, the author of The Sleepwalkers, is one of the few modern writers from whom a great thing is to be expected. Now here is this endless and arduous monologue of the dying Virgil, the work of many years and long awaited by serious readers.

The Death of Virgil, by Hermann Broch - Commentary

The complete review's Review: . The Death of Virgil is a grand, complex accomplishment. A symphonic novel, its language closer to poetry than prose, it recounts Virgil's dying day. The span covered of the novel is a very short one, but Broch brings in much of Virgil's past (as well his work) as the poet reflects on and remembers the past in coming to terms with the inevitable end just ahead of ...

The Death of Virgil - Hermann Broch - Complete Review

The Death of Virgil represents the only genuine technical advance that fiction has made since Ulysses." -- George Steiner "Hermann Broch belongs in that tradition of great twentieth-century novelists who have transformed, almost beyond recognition, one of the classic art forms of the nineteenth century."

The Death of Virgil | Project Gutenberg Self-Publishing ...

This is a strange work, difficult to classify, comprised of elements of greatness and passages of unbelievable dullness, yet withal an example of contemporary European literature, related in some ways to the work of Joyce, Mann and Rilke. Broch, an Austrian now in this country, is the author of this somnambulistic prose-poem; Jean Starr Untermeyer is its translator.

The Death of Virgil | Wiki | Everipedia

The Death of Virgil is among a handful of true literary masterpieces this century whose reach, that of the entire compass of human impulse, consciousness and conscience, has equalled its grasp. It is a work of intellectual and spiritual adventure. Broch orchestrates an inquiry and fugue, sombre and passionate, into life, encompassed in a ...

The Death of Virgil book by Hermann Broch - Thriftbooks

I once said that The Death of Virgil exists on its own plane of reality, and that is what makes the book worth reading. As a novel of ideas it is behind most of Thomas Mann's work, and doesn't even approach Robert Musil's The Man Without Qualities. As a historical excursion into the classics, it's detailed and panoramic, but that is hardly Broch's main concern here.
