Here's an example. Years ago, I was part of a close-knit team at a small creative agency. Last year, I ran into a designer from those days. Though we hadn't been close, the old collegiality came ...

BBC - Capital - Networking for people who hate to network

Let's start with an uncomfortable truth: small talk is good for you. It helps you to work. At least some small element of every job is social, and the more you know about your clients, colleagues, or audience - the more you intuit from the minutiae of banal interaction - the better you adjust to the project needs.. It makes you happier. Or at least, small talk may seem like torture at ...

Introvert Retreat - celebrating inner life in the outer world

But they have a natural preference for either introversion or extraversion rather like a preference for right or left handedness. For example some of you reading this can't wait to get to the practical applications: you are looking at it from the extravert's standpoint.
