[Midwives & Birth in the United States](#). The American College of Nurse-Midwives (ACNM) is the professional association representing certified nurse-midwives (CNMs) and certified midwives (CMs) in the United States.

Essential Facts about Midwives - American College of Nurse ...

Midwifery is the health science and health profession that deals with pregnancy, childbirth, and the postpartum period (including care of the newborn), in addition to the sexual and reproductive health of women throughout their lives. In many countries, midwifery is a medical profession (special for its independent and direct specialized education; should not be confused with the medical ...

In August 2014, the American College of Nurse-Midwives (ACNM) twinned with the Midwives Association of Zambia (MAZ), marking the birth of the Twinning Association of Zambian and ACNM Midwives (TAZA)

TAZA Midwives - Twinning Association of Zambian & ACNM ...

The tale of the heroic midwives in Exodus 1:15 records how they risked their lives to save male Hebrew babies despite the charge given them by Pharaoh. Who are these midwives? If they are Israelites, why would Pharaoh trust them with such a task and not suspect their loyalty to their own people? If they are Egyptian, why would they betray their ruler and risk their lives?
