Three Sides To Every Story

III Sides To Every Story (pronounced 3 Sides To Every Story) is the third album by the Boston funk-metal band Extreme, released in 1992. It was the follow-up to the very successful Pornograffiti album. It was the last album with the band's original line-up: Gary Cherone, Nuno Bettencourt, Pat Badger and Paul Geary; Geary later left, and was replaced by Mike Mangini

As the legend has been told; The amazing friendship between Daryn, Jason, and Tony had begun after fate had brought them together. The odds of three guys coming from different corners of the United States and realizing their passion for really good wine caused an immediate bond that remains impossible to break.

PHIL MAY. The Pretty Things were unquestionably the finest British group of the 1960s not to have a hit in the United States. Their inexplicable failure to tour the United States, causing them to be overlooked entirely in the tidal wave of British Invasion rock, provides the hook to most stories on the Pretty Things, but is hardly the whole tale.

Time. A temporal dimension is a dimension of time. Time is often referred to as the "fourth dimension" for this reason, but that is not to imply that it is a spatial dimension. A temporal dimension is one way to measure physical change. It is perceived differently from the three spatial dimensions in that there is only one of it, and that we cannot move freely in time but subjectively move in ...
