Religion | Definition of Religion by Merriam-Webster

Religion is an umbrella term for multiple things and as such, it is difficult to define religion without taking time to highlight the various guises of religion and religious behaviour. It occurs in today's confusing and wild world, that "religion" is a term that is denied by some of those very people who the term encompasses.

What is Religion? How Do You Define Religion?

Religion, human beings' relation to that which they regard as holy, sacred, absolute, spiritual, divine, or worthy of especial reverence. It is also commonly regarded as consisting of the way people deal with ultimate concerns about their lives and their fate after death .

religion | Definition & List of Religions | Britannica.com

For those who focus on functionalist definitions, religion is all about what it does: if your belief system plays some particular role either in your social life, in your society, or in your psychological life, then it is a religion; otherwise, it's something else (like philosophy). Examples of functionalist definitions include describing religion as something which binds together a community or which alleviates a person's fear of mortality.

What Is Religion? ...and the Problem of Defining Religion

"What is religion? This question seems to me to be often answered amiss. The word connotes a bond and means essentially (I suggest) a personal relation with the unseen. The relation may be a reality or a delusion. Religion, as we speak, may be true or false, but its essence is in this relation through the veil that hides from us the invisible ...

What is Religion - World Spirituality

Some define "religion" in terms of "the sacred" and/or "the spiritual," and thus require two additional terms to be defined. Sometimes, definitions of "religion" contain more than one deficiency.

What is "religion"? - Religious Tolerance

Religion is a phenomena that arises out of that need. Religious people are willing to live according to and at times to die for what they most value. Religion is the primary form in which that valuation is expressed and transmitted from one generation to the next.
