### **Why You Think The Way**

About the author. Julia Galef is a writer and co-founder of the Center for Applied Rationality, a nonprofit organization devoted to helping people improve their reasoning and decision-making, particularly with the aim of addressing global problems. She is also the host of the Rationally Speaking podcast.

### **Why you think you're right, even when you're wrong**

Perspective is everything, especially when it comes to examining your beliefs. Are you a soldier, prone to defending your viewpoint at all costs -- or a scout, spurred by curiosity? Julia Galef examines the motivations behind these two mindsets and how they shape the way we interpret information, interweaved with a compelling history lesson from 19th-century France.

About Why software projects take longer than you think - a statistical model 2019-04-15. Anyone who built software for a while knows that estimating how long something is going to take is hard. It's hard to come up with an unbiased estimate of how long something will take, when fundamentally the work in itself is about solving something. One pet theory I've had for a really long time, is ...

Brand image is more than a logo that identifies your business, product or service. Today, it is a mix of the associations consumers make based on every interaction they have with your business.

### **Why Brand Image Matters More Than You Think - Forbes**

Like the dreaded "Tell me about yourself," the question, "Why are you interested in this position?" is sure to come up in an interview. And, even if it doesn't, if you want the job you should get this sentiment across regardless. So, really, there's no way around figuring out how to string together a coherent thought about why this being in this position makes sense for you (and ...
